

Title II October 1 2003 through September 30, 2004

The following is a list of agencies selected for Title II funding. During the week of September 8, 2003 all applicants for Title II, Title V and Challenge funding will receive a letter regarding their proposal, indicating whether or not they will be funded. Reviewers Comments about each proposal will also be included. Awards are made provisionally as acceptable grant revisions will need to be received (if required) and although we have verbal confirmation of the funding award from the Office of Juvenile Justice and Delinquency Prevention we do not have written confirmation. This year we had \$1.1 million dollars in the Title II award and \$4.8 million dollars in requests. We received 101 Title II grant applications.
